2. 學生須自行到香港鐵路公司門市購買申請或購買八達通卡。校方建議同學申請「學生或個人八達通卡」，詳情請瀏覽以下網頁：
<https://www.octopus.com.hk/tc/consumer/octopus-cards/products/on-loan/personalised.html>)。

10. 急症室收費事宜

香港公立醫院急症室已於 2017 年 6 月 18 日起收取診治費 \$180.0。學校接獲醫院管理局通知，把此訊息通告全校家長。

雖然急症室收取費用，但為貴子弟健康及安全計，學校會一如以往，如經初步了解，貴子弟必須盡快接受診療，學校會把同學送往就近運作中之公立醫院急症室(應為屯門醫院)，並通知家長，以安排家人或親友盡快到急症室照顧子女。

按醫管局提供之資料，學生到達急症室，醫護人員會依舊為其提供服務，學生會獲發一張「繳費通知書」，如果未能即時繳費，學生或家長可以選擇於日後繳費或申請豁免。學校員工不會代付診治費用，故屆時請家長自行處理有關之繳費事宜。

F.1 to F.3: Free

F.4 to F.6: Free

A Tong Fai of ~\$340.00 is to be paid in early November. The fees collected will be used to improve school facilities so that the effectiveness of teaching and learning can be enhanced.

3. Campus Construction

The Permanent Secretary for Education has given blanket approval for aided and caput schools to collect \$450 for non-standard items in total, per student, per annum. (Please refer to EDB Circular 14/2012)

Our school is planning to collect the aforementioned fee in the academic year 2024-2025 to improve the school's learning environment. The collected fee will be used for the specific purposes as follows:

	Items
1	Replacement of Student Lockers
2	Replacement of Student Chairs

* The school will subsidize the above expenses if the collected fee does not cover the costs.

Please ensure that the fee is submitted on time. Parents who are experiencing financial difficulties can apply for a fee reimbursement (application period: 03-13.09.2024). The school will refund the fee after approval is granted.

We appreciate the support of all parents in this matter. This action will provide additional resources for the school to continually enhance the school's learning environment.

4. Air-conditioning Fee :

\$90 to defray the electricity charges and routine maintenance costs for air-conditioning facilities not subsidized by the EDB. To be paid in early November.

5. School Uniform :

Students must wear proper school uniform for all school activities. To attend Physical Education lessons or other school sports events, students should wear the sports uniforms approved by the school. The samples and price lists of all school uniforms are displayed in the ground floor of the school for reference. Students can order the uniforms from any authorized tailors or tailor-make the uniforms for themselves.

9. Issues related to the Campus Octopus Management System

The Campus Octopus Management System will be adopted for this academic year campus payment purpose. To ensure the smooth and accurate running of the system, parents and students are reminded to take note of the following points:

1. The school will not be held responsible for the application and purchase of Octopus card for students. Students should purchase the Octopus card directly from the MTR Corporation.
2. For security purpose, students are recommended applying for a Personalized Octopus card with Student Status. (For details about the application procedures and benefits, please refer to the following website: <https://www.octopus.com.hk/tc/consumer/octopus-cards/products/on-loan/personalised.html>)
3. Students who possess a valid Personalized Octopus card with Student Status can continue to use the card for campus payment purpose in the new academic year. Students are also reminded to take good care of the Octopus card. In case of loss or transfer of Octopus card during the summer holiday, the concerned student should report to the general office to update the information from 26th to 30th August.
4. F.1 Freshmen
 - a) For students who take part in the F.1 bridging program, please bring along their Octopus card (may or may not be personalized) for registration on 20th August.
 - b) For those who do not attend the bridging program, please bring along the Octopus card (may or may not be personalized) to complete their registration after the Parents Day on 24th August.
 - c) If the registration of the Octopus card cannot be completed during the above periods, the parents/students concerned can bring the Octopus card to the general office to complete the registration during office hours from 26th to 30th August to facilitate attendance taking and payments.
5. In case of campus payment, the school will inform parents about the exact amount and the time of paying the fees. Parents are kindly reminded to top up the Octopus cards for their children. A receipt will be issued by the school as proof of payment. Parents can also check the recent payment records (a maximum of 10) through the readers installed at various MTR stations.

10. Charges Involved When Handling Emergency Cases

Since 18 June 2017, a charge of \$180 has been implemented on services provided by the A&E rooms in all Hong Kong public hospitals. The school would like to inform parents about the charge and relevant arrangements.

For the sake of students' health and well being, if a student feels sick at school and needs immediate medical treatment, the school will escort him/ her to the A&E room of the nearest public hospital in service (probably Tuen Mun Hospital) as soon as possible and will inform his/ her parents simultaneously.

According to the Hospital Authority, relevant medical services will be provided to students upon arrival. A Payment Reminder will be issued to the student for immediate payment or payment upon availability in the short period that follows. Students and parents can apply for subsidies or exemption from payment. Parents are responsible for the payment of required medical fee. Staff of the school will not help with handling the required fee.

For boys, hair should not be longer than the shirt collar. Any girl whose hair reaches the shoulder or longer should have it tied up properly. All students are not allowed to wear accessories (like bracelets, necklaces, earrings or rings) to school. Only plain black leather shoes are allowed. No other trendy fancy, styles or non-leather fabric shoes are acceptable. For boys, they are not allowed to wear stylish items like boots and loafers.
